

Schools have two options when offering Summer Solutions to their students: an **EASY** way, and an **EASIER** way!

1. Schools NEVER have to collect money. Parents order online and pay with a credit card. **www.SummerSolutions.net**
2. We will provide your school with a flyer with instructions for parents. This flyer can either be printed out or emailed to parents to make them aware that this program is being offered, and how to participate in it.

Easy Way: School Delivery

- Books are \$13 each.
- Parents order by deadline.
- Books are delivered to school packaged and labeled by family name.
- School distributes books to students.

The flyer features the Summer Solutions and Simple Solutions logos at the top. Below them is a diagram titled "Close the Summer Learning Gap!" showing a timeline from "Last Year" to "Next Year" with a gap in the middle. A person is shown reading a book during the gap, with an arrow pointing to the text "Summer Solutions".

Summer learning loss puts students at a serious disadvantage. This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

Your child worked hard all year. Make sure that progress sticks. Give your child the advantage of *Summer Solutions*.
Each book is \$13.00.

The school code expires on: _____

Easier Way: Home Delivery

- Books are \$15.99 each.
- Parents order at their own convenience.
- Books are delivered to parents' homes, and shipping is included in the price!
