

# **Summer Solutions** Algebra I Part A

## **Reviewed Skills include:**

- Functions
- Equations with Absolute Value
- Solving Inequalities
- Scientific Notation
- Finding Slope
- Slope-Intercept Form of a Line
- Geometry Formulas
- Matrices
- Percent of Increase/Decrease
- Integers
- Order of Operations
- Distributive Property/Combining Like Terms
- One Step/Two Step/Multi-step Equations
- Algebraic Phrases
- Variables on Two Sides
- Graphing on a Coordinate Plane
- GCF/LCM/Simplifying Algebraic Expressions
- Word Problems

**Answers to Lessons begin on page 63**
